All applicable materials available in Docket 90A compliant colors, additional costs apply.

Additional costs may apply based on minimum order quantities of custom colored components.

Samples shown are provided as color guidelines only. Actual colors may vary due to limitations inherent in the printed color matching process. Physical color chips are available upon request.

Please contact an American Seating representative for more information about colors.

Our Mission

Since 1886, American Seating has set the standard for product design, durability and comfort. Our first transportation seat was introduced in 1931, and today we remain committed to exceeding the expectations of our customers. Our achievements serve as the platform for new and innovative products that are the benchmarks of our industry.
